## BANK CHANGES HANDS.

### Thomas Interests in First National Go to Carthage Parties.

Announcement was made Monday of a change in the directory and management of the First National Bank of Jasper, by which the interests of W. C. Thomas, Mrs. E. L. Thomas, and Mrs. J. B. Thomas were acquired by W. H. Waters, jr., and E. B. Jacobs, the latter cashier of the First National Bank of Carthage.

At a meeting of the board of directors the following board was elected: F. F. Follmer, president; E. B. Jacobs, vice-president; W. H. Waters, jr., cashier; W. L. Schooler, H. G. Griffin, A. F. Gresham.

Mr. Waters, the new cashier, has many friends in Jasper, he being a native of this county and has lived many years in Carthage, where for the past 13 years he was connected with the Bank of Carthage, serving a large part of that time as assistant cashier. Besides his long experience in the business he is known as a young man of much business ability and very popular in his home town where he is so well known.

E. L. Thomas, who died about four years ago, together with his son W. C., bought the controlling interest in this bank some seven or eight years ago, and it has under their management continued to grow and prosper and has long been considered one of the solid institutions of this section.

W. C. Thomas has interests in Mississippi that have been claiming his attention for some time and he and Mrs. Thomas will go to their new Southern homesoon.

Mrs. E. L. Thomas will remain in Jasper indefinitely. Mrs. J. B. Thomas and children expect to go to Manhattan, Kans., to reside.

The Thomas family have been actively identified with the churches, lodges and civic organizations of the community and their removal from the community will be universally regretted.

Mr. E. B. Jacobs, the head of the First National Bank of Carthage, where he has been located for the past 30 years, and who needs no introduction, will succeed F. F. Follmer as vice-president, and will also be a member of the Board.

Mr. H. L. Tallman, well and favorably known, who has served us as our president for the past five years, resigned on account of failing health and a desire to be relieved from business responsibilities.

Mr. W. C. Thomas resigns on account of a greater interest in the South where he will locate and devote his attention. The growth of this Bank can be attributed to the untiring efforts of Mr. Thomas and our efficient office force, as will be seen by reviewing past statements. They have increased the resources of the Bank near \$100,000 during their administration. We regret to lose Mr. Thomas and his estimable family. We desire to thank them and you as patrons for your support and trust we may be favored with a continuance of your patronage.

We consider ourselves fortunate in our new connections, the new officers long known in this community, and in whom we can guarantee the same loyal, conservative service which has been accorded you in the past. Come in and make their acquaintance.
